## Coffins & Caskets

Choosing a coffin can be difficult for grieving families. We understand this and will deal sensitively with any questions you may have to ensure that the coffin provided is practical, affordable and a fitting resting place for your loved one. We will never pressurise a family into purchasing anything more than is practically required.

# Tribute

## Linings

All Tribute willow coffins have a natural, unbleached calico lining.

## Willow Coffins

Natural, 100% biodegradable willow coffins hand woven in a traditional or softly curving teardrop shape.

**Heart Message Tags** are a lovely way to add a farewell message to a coffin or casket.

## Somerset Willow Coffins

With all the features of the Willow Coffin, these coffins are hand woven by fourth generation basket weavers in Somerset.

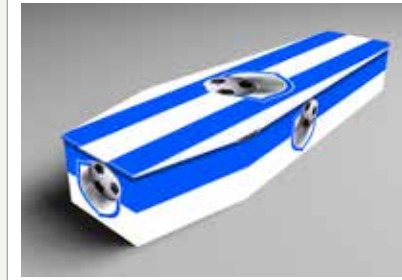

Available in weatherbeaten, buff, gold and white, with a selection of coloured bands.

# Colourful Coffins

## Colourful Coffins

A personalised coffin to reflect the life of an individual and a beautiful tribute to your loved one.

There are many stunning designs available from an extensive gallery or a coffin can be personalised with your own design at no extra cost.

# *the* London Casket Company

## Hardwood Collection

The hardwood collection is comprised of the finest grade cherry, mahogany, oak and polar woods which are buffed and polished to enhance the natural grain and give each casket a silk-smooth finish.

# Ashes Caskets

## Scatter Tubes

A beautiful range of scatter tubes to bury or scatter ashes or use as keepsakes.

## Ashes Caskets

Our solid oak or mahogany ashes casket is traditionally crafted, robust and suitable for burial of ashes.
