# Hillier Unattended Funeral

The Hillier Unattended Funeral is a true unattended funeral and will take place at either of the Swindon Crematoriums or at Kingsdown Cemetery. The funeral date and time will be decided by Hillier Funeral Service where necessary. Arrangements can be made at one of our three offices, over the phone or via video call. Removal during office hours is Included.

You may have seen advertisements for specialist firms offering 'no-fuss direct cremation' packages. What direct cremation firms sometimes dismiss as 'fuss'...we prefer to call 'love.' And simple, unattended funerals can be full of love.

Using a local funeral director also means you will know that your loved one is being cared for nearby, which can be comforting at a difficult and sad time.

A funeral director will help you arrange a funeral that includes the things that are important to you, including the option to change your mind, about any or all of the arrangements.
